### **Dear Members**

We hope this message finds you well and you are keeping warm as we welcome winter in Melbourne – a season of reflection, connection, and looking forward to what's ahead. It's been a little while since our last Bollettino, and so much has happened since then. Thank you, as always, for your continued patience, support, and the role you each play in shaping the spirit of our Club.

### **To Our Volunteers and Members**

Thank You. As always, we want to pause and express our deepest appreciation to each and every one of you—our dedicated volunteers, loyal members, and behind-the-scenes champions. So much of what happens at the Club is powered by your generosity, passion, and love for this community.

Whether you're helping behind the scenes, preparing for an event, coaching a junior team, attending functions, or simply showing up week after week—you are the heart of this Club.

It's your spirit that keeps our traditions alive and makes our future so bright.

#### **A Major Milestone: Soccer Field Approval**

We are incredibly proud to announce that our dream of building an official soccer field at the Club has been officially approved! After years of hard work, dedication, and planning, the City of Kingston Council has given us the go-ahead to take this project into its next phase. This is a monumental step forward—not just for our sporting community, but for the Club as a whole. It will allow us to offer more opportunities for youth development, community engagement, and bringing people together through the beautiful game.

A heartfelt thank you goes to Nick Sampieri and the Sampieri Group, who have worked tirelessly to champion this project. Nick's passion and perseverance were instrumental in navigating the many challenges we faced. We also acknowledge everyone who supported the journey—every conversation, submission, and idea helped bring us to this moment. This field will be a legacy for future generations—a place where dreams will begin, friendships will grow, and our community will thrive.

### **A Fond Farewell to “Rockin” Rick Charles**

With gratitude and a touch of nostalgia, we recently bid farewell to the incomparable “Rockin” Rick Charles, who, along with his team, has filled the Freccia function room with music, laughter, and joy for more than 20 years. Rick has been more than an entertainer—he has been a friend, a constant, and a cherished part of the Club’s fabric.

We thank Rick for his years of dedication and for helping create countless memories for our members and guests. While we are sad to see him go, we’re also excited for his next chapter, and we wish him and his team every success as they continue to share their talents. Grazie Rick – you will always have a home here.

And... watch this space – we have some exciting ideas in the works and can’t wait to share what’s coming next.

### As it Happened

Saturday the 19<sup>th</sup> was a night to remember. The ever incredible Johnny Vegas, accompanied by Jetta and her beautiful voice, graced our stage with an amazing show... but the highlight had to have been a special performance from none other than ELVIS himself!

We cannot wait for them to return in one of their many forms. They are such a talented group and always put on an amazing night. Keep an eye out on our socials and website for when we announce our next event with them!

### As it Happened

On Sunday the 27<sup>th</sup> of July we celebrated 10 years of the KATO Ballo Liscio! It was an incredible night, with big thanks to Tony and Katya. They have been such an integral part of the event since it started and it wouldn't be as amazing without them!

Unfortunately this year marks the last year with KATO playing at the Freccia Azzurra Club. It's been a great ride so make sure you catch the last couple shows before KATO are gone!
